

K-8 COLLEGE CONNECTION

HARBOR BEACH COMMUNITY SCHOOLS K-8 NEWSLETTER ISSUE 2 | November 2016

COLLEGE Through My Eyes *Creativity Competition* Winners!

ELEMENTARY SCHOOL WINNERS

K-12 grades could enter the CTME creativity competition and submit a video, picture, painting or song answering the questions, “What does college mean to you?” We had over 30 submissions and these were our winners. Their entries can be viewed on the [HBCS College Connection Facebook Page](#). There was a tie for first between kindergarten and 3rd grade. Winners receive a pizza party for their entire class.

Expose your student to more than just the popular universities they see on TV. Explain to them at an early age that community colleges, trade schools, tech programs, certificate programs, etc. are all considered to be COLLEGE!
A 4-year university isn't for everyone.

Middle School Parent Checklist for College Prep

Talk to your child about his or her interests and help match those interests with a college major and career.

Help your child develop good study habits, such as studying at the same time and place every day and having the necessary materials to complete assignments.

Stay in contact with your child's teachers and counselor so that they can let you know about any changes in your child's behavior or schoolwork.

Keep an eye on your child's grades on his or her tests and report cards, and help him or her find tutoring assistance, if necessary.
